

## Detailed Advance Programme

Wednesday 15 September 2010

**13:30-14:40 Keynote Symposium**

### Differences and variations in outcome in Europe

*Chair: C.J.H. van de Velde (NL)*

*Chair: I. Taylor (UK)*

- **An overview of differences in outcome in Europe**  
*Speaker: P. Boyle (FR)*
- **Multidisciplinary team training & certificates in outcome**  
*Speaker: B. Moran (UK)*
- **German-Polish perspective**  
*Speaker: P. Mroczkowski (DE)*
- **Population based outcome monitoring & quality assurance**  
*Speaker: C.J.H. van de Velde (NL)*

**14:45-16:15 Symposia**

### Symposium: The management of local recurrence of rectal cancer (Joint ESSO/SSO/ESTRO)

*Chair: I. Taylor (UK)*

*Co-Chair: M. Posner (US)*

- **Diagnosis and assessment of local recurrence**  
*Speaker: M. Posner (US)*
- **Surgical aspects of local recurrence (extended A-P resection)**  
*Speaker: T. Holm (SE)*
- **Is there a need for pelvic exenteration?**  
*Speaker: H. Rutten (NL)*
- **Radio-chemotherapy**  
*Speaker: B. Glimelius (SE)*

16:45-18:45 **Symposia**

---

**Symposium: Sentinel nodes biopsy – management of Axilla**

---

*Chair: M. Leidenius (FI)*

*Co-Chair: G. Houvenaeghel (FR)*

- **Is axillary surgery always needed?**  
*Speaker: S. Holmberg (SE)*
  - **The prognostic significance of SN micro metastasis and ITC**  
*Speaker: M. Leidenius (FI)*
  - **Positive sentinel node – axillary clearance, radiotherapy or observation**  
*Speaker: E. Rutgers (NL)*
  - **The role of nodal staging in breast cancer – past, present, future**  
*Speaker: L. Cataliotti (IT)*
- 

**Symposium: Cancer of the oesophagus – core issues resolved?**

---

*Chair: T. Lehnert (DE)*

*Co-Chair: J. van Lanschot (NL)*

- **Mucosal resection**  
*Speaker: To be announced*
- **Extend of lymphadenectomy**  
*Speaker: J. van Lanschot (NL)*
- **Neoadjuvant therapy**  
*Speaker: T. Lehnert (DE)*
- **Palliative procedures**  
*Speaker: B. Walther (SE)*
- **Centralisation**  
*Speaker: W. Allum (UK)*

---

**Symposium: Melanoma: it is a new world**

---

*Chair: A. Testori (IT)*

*Co-Chair: K. Herman (PL)*

- **New insights in melanomagenesis: a family of diseases**  
*Speaker: D. Schadendorf (DE)*
- **New technologies in Sentinel Node Staging: what's the benefit?**  
*Speaker: A. Testori (IT)*
- **New outcomes in the adjuvant treatment setting: IFN, Vaccines and Anti-CTLA4**  
*Speaker: A.M.M. Eggermont (NL)*
- **It's a new world: mutation driven drug development in melanoma is a success story**  
*Speaker: K. Flaherty (US)*

**16:45-18:45 Video presentations**

*Chair: R. Audisio (UK)*

*Co-Chair: T. de Reijke (NL)*

---

Thursday 16 September 2010

**07:30-08:15 Meet the expert Breakfast Sessions**

- **Session 1: Oncoplastic surgery**  
*Speaker: A. Baildam (UK)*
- **Session 2: Technical aspects of HIPEC**  
*Speaker: P. Sugarbaker (US)*
- **Session 3: Publishing (EJSO) workshop**  
*Speaker: T. Lehnert (DE)*
- **Session 4: Management of pancreatic aspects**  
*Speaker: B. Bonsing (NL)*
- **Session 5: Technical aspects in liver resection**  
*Speaker: G. Poston (UK)*

Pre-registration is required for these sessions. To register please see the online individual registration form.

**08:30-10:00 Round Table Session (GETTEC)**

**Biological implementing techniques & therapy around head & neck surgery**

Chair: G. Dolivet (Fr)

Co-Chair: M. McGurk (UK)

- **New per operative technology of diagnosis**  
*Speaker: To be announced*
- **Peri operative biological therapy**  
*Speaker: S. Schmitz (BE)*
- **Molecular diagnosis for margin**  
*Speaker: S. Temam (FR)*
- **Signification of circulating cell and therapeutical implication**  
*Speaker: To be announced*

10:30-12:30 **Symposia**

---

**Symposium: Neoadjuvant treatment and implications in breast cancer**

---

Chair: C.J.H. van de Velde (NL)  
Co-Chair: H. Bonnefoi (FR)

- **Hormonal versus chemotherapy & neoadjuvant treatment**  
Speaker: V. Semiglazov (RU)
  - **Duration of hormonal treatment and surgical follow up**  
Speaker: J. Mieog (NL)
  - **The use of breast irradiation partial and intra-operative**  
Speaker: J. Vaidya (UK)
  - **Selection of neoadjuvant treatment on molecular basis**  
Speaker: H. Bonnefoi (FR)
- 

**Symposium: Peritoneal surface oncology- practice, research and future**

---

Chair: S. Gonzalez-Moreno (ES)  
Co-Chair: H. Mahteme (SE)

- **Current status of cytoreductive surgery and perioperative intraperitoneal chemotherapy for peritoneal surface malignancy: what is practice and what is research?**  
Speaker: P. Sugarbaker (US)
  - **Pseudomyxoma peritonei: a disease model in the management of peritoneal-based malignancies**  
Speaker: B. Moran (UK)
  - **Cytoreduction and HIPEC for peritoneal carcinomatosis of colorectal origin: patient selection, current treatment protocols and ongoing research**  
Speaker: D. Elias (FR)
  - **Standard of care and future directions in the treatment of primary peritoneal tumours**  
Speaker: M. Deraco (IT)
- 

**French clinical research in surgical oncology  
(The French Society of Surgical Oncology)**

---

Chair: S. Evrard (FR)  
Co-Chair: T. Gruenberger (AT)

- **Clinical research in rectal carcinoma**  
Speaker: P. Rouanet (FR)
- **Clinical research in liver surgery**  
Speaker: M. Rivoire (FR)
- **Clinical research in breast carcinoma**  
Speaker: J. Classe (FR)
- **Pelvis perfusion**  
Speaker: S. Bonvalot (FR)

---

**Symposium: Role of palliative surgery**

---

Chair: S. Schneebaum (IL)  
Co-Chair: To be announced

- **Stenting or palliative surgery in pancreatic biliary cancer**  
Speaker: D.J. Gourma (NL)
- **Palliative surgery in colon cancer- a daily challenge to find the right way**  
Speaker: K. Jauch (DE)
- **Is there a role for palliative surgery in breast cancer?**  
Speaker: K. von Smitten (FI)
- **Palliative surgery- what can be learned from randomised trials**  
Speaker: S.Schüle (DE)

**14:00-15:30 Plenary Debate**

Moderator: P. Naredi (SE)  
Moderator: I. Edhemovic (SL)

---

**Debate 1: Pancreatic Cancer**

- **Adjuvant therapy is of no value?**  
Speaker in favour: P. Clavien (CH)  
Speaker against: To be announced

---

**Debate 2: Breast Cancer**

- **Should we determine the role of sentinel node before & after neoadjuvant treatment?**  
Speaker in favour: E. Rutgers (NL)  
Speaker against: C.J.H. van de Velde (NL)

---

**Debate 3: Colorectal cancer**

- **Should the primary tumour be resected in incurable metastatic colorectal cancer?**  
Speaker in favour: M. Rivoire (FR)  
Speaker against: G. Mentha (CH)

**15:30-16:00 Keynote Lecture**

---

**Developments in surgical oncology (Lifetime Achievement Award)**

---

Chair: C.J.H. van de Velde (NL)

- **Lessons learned in the development of surgical oncology**  
Speaker: M. Brennan (US)

16:30-18:30 **Symposia**

---

**Symposium: Management of soft tissue sarcoma**

---

*Chair: L. Wyld (UK)*

*Co-Chair: J-Y Blay (FR)*

- **Progress in the management and understanding of soft tissue sarcomas**  
*Speaker: M. Brennan (US)*
  - **The role of intensity modulated radiotherapy in the treatment of complex soft tissue sarcomas**  
*Speaker: M. Robinson (UK)*
  - **The role of chemotherapy and targeted molecular therapies in the management of soft tissue sarcomas**  
*Speaker: J-Y Blay (FR)*
  - **Surgical margins, local recurrence and salvage techniques in soft tissue sarcomas**  
*Speaker: A. Gronchi (IT)*
-

Friday 17 September 2010

**07:30-08:30 Educational Workshop**

**Surgical Oncology – How to train young surgeons?**

Chair: M. Brennan (US)  
Co-Chair: P. Mordant (FR)

Panel:

- B. Bonsing (NL)
- S. Deneuve (FR)
- J. Cho Chun Hu (UK)
- P. Mordant (FR)
- H. Mahteme (SE)

**10:30-11:00 Keynote Lecture**

**Safe surgery: How can we improve our performance in the operating theatres?**

Chair: P. Naredi (SE)  
Speaker: P. McCulloch (UK)

**11:00-13:00 Symposia**

**Symposium: Outcome and implications-what can we do on outcomes?**

Chair: P. Naredi (SE)  
Co-Chair: C.J.H van de Velde (NL)

- **In colorectal cancer**  
Speaker: L. Pahlman (SE)
- **In breast cancer**  
Speaker: P. Christiansen (DK)
- **In gastro-oesophageal cancer**  
Speaker: M. Wouters (NL)
- **In sarcoma**  
Speaker: A. Hayes (UK)

---

**Symposium: Tailored surgery in older individuals**

---

*Chair: R. Audisio (UK)*

*Co-Chair: To be announced*

- **Rectal cancer: controversies of total mesorectal excision for rectal cancer in elderly patients**  
*Speaker: H.J Rutten (NL)*
  - **Breast cancer: is surgery always indicated in older women with breast cancer?**  
*Speaker: M. Reed (UK)*
  - **Liver surgery: liver resection for colorectal liver metastasis in older patients**  
*Speaker: N. De Liguori Carino (UK)*
  - **Pancreatic cancer: pancreatic cancer and pancreaticoduodenectomy in elderly patient: morbidity and mortality are increased. Is this real life?**  
*Speaker: M. Ouaisi (FR)*
- 

**Symposium: Surgical aspects in translational research – circulating tumour cells (CTC) for the clinical management of solid cancers**

---

*Chair: D. Nitti (IT)*

*Co-Chair: G. Poston (UK)*

- **Circulating tumour cells (CTC): results in breast cancer**  
*Speaker: J. Pierga (FR)*
- **Circulating tumour cells (CTC): results in cutaneous melanoma**  
*Speaker: U. Keilholz (DE)*
- **Circulating tumour cells (CTC): results in colorectal cancer**  
*Speaker: M. Zitt (AT)*
- **Circulating tumour cells (CTC): results in gastric cancer**  
*Speaker: S. Mocellin (IT)*

**11:00-13:00 French Anti Cancer Centre Surgeons Club Meeting**

---

**French Anti Cancer Centre Surgeons Club Meeting**

---

14:30-16:30 **Symposia**

---

**Symposium: Local regional treatment in breast cancer**

---

*Chair: T. Kovacs (UK)*

*Co-Chair: J.M. Classe (FR)*

- **Oncoplastic wide local excisions for early breast cancer**  
*Speaker: C. Holcombe (UK)*
  - **Postmastectomy radiotherapy**  
*Speaker: A. Harnett (UK)*
  - **Intraoperative assessment of sentinel lymph nodes in breast cancer**  
*Speaker: G. Cserni (HU)*
  - **Management of DCIS**  
*Speaker: E. Rutgers (NL)*
- 

**Symposium: Complete response after neoadjuvant therapy for rectal cancer  
(joint ESSO/ESTRO/ESMO)**

---

*Chair: C.J.H. van de Velde (NL)*

*Chair: To be announced*

*Chair: V. Valentini (IT)*

- **Radiotherapist's view: response to neoadjuvant therapy for rectal cancer**  
*Speaker: V. Valentini (IT)*
- **Surgeon's view: complete response after neoadjuvant therapy-to operate or not to operate?**  
*Speaker: P. Rouanet (FR)*
- **Radiologist's view: imaging and following of the patients with complete response**  
*Speaker: G. Brown (UK)*
- **Pathologist's view: response and complete response**  
*Speaker: P. Quirke (UK)*
- **Title: To be announced**  
*Speaker: To be announced*

---

**Symposium: Biliary cancer-management and controversies**

---

*Chair: T. Gruenberger (AT)*

*Co-Chair: S. Evrard (FR)*

- **Intrahepatic cholangiocarcinoma (ICC): typical appearance, extend of resection, value of lymph node dissection**  
*Speaker: J. Figueras (ES)*
  - **Perihilar cholangiocarcinoma (phCCC): is extended resection always indicated in Klatskin tumours?**  
*Speaker: D. Cherqui (FR)*
  - **Gallbladder cancer: who needs re-resection and to which extend after incidental finding at pathology**  
*Speaker: C. Dervenis (GR)*
  - **Palliative chemotherapy: value of multidisciplinary approach in case of unresectability**  
*Speaker: B. Gruenberger (AT)*
-
